## The Scent of Sake Joyce Lebra

She was taught to submit, to obey . . . but she dreamed of an empire.

The sole heir to the House of Omura, a venerable family of Kobe sake brewers, nineteen-year-old Rie hears but cannot heed her mother's advice: that in nineteenth-century Japan, a woman must "kill the self" or her life will be too difficult to bear. In this strict, male-dominated society, women may not even enter the brewery—and repressive tradition demands that Rie turn over her family's business to the inept philanderer she's been forced to marry. She is even expected to raise her husband's children by another woman—a geisha—so that they can eventually run the Omura enterprise.

But Rie's pride will not allow her to relinquish what is rightfully hers. With courage, cunning, brilliance, and skill, she is ready to confront every threat that arises before her—from prejudice to treachery to shipwrecks to the insidious schemes of relentless rivals—in her bold determination to forge a magnificent dynasty...and to, impossibly, succeed.

An epic and breathtaking saga that spans generations as it sweeps through the heart of a century, Joyce Lebra's *The Scent of Sake* is a vivid and powerful entry into another world...and an unforgettable portrait of a woman who would not let that world defeat her.

Those ebooks are helping them to bring their knowledge. In different cases, besides science books, any other book like The Scent of Sake to make your spare time more colorful. Many types of books like this one.

#### **Jennifer Randolph:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make a summary for some e-book, they are complained. Just little students that have reading's soul or real their hobby. They just do what the educator wants, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Books are very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise words say, many ways to reach Chinese's country. Therefore this The Scent of Sake can make you truly feel more interested to read.
