Again, God Speaks: God Reveals His Hidden Secrets John F Boylan M.Div.

“Again, God Speaks”, focuses on the ‘shocking and hidden secrets’ God Himself embedded into the simple story of ‘the creation of Adam’ found in Genesis 2:7-9. Shocking, because the book’s ‘focus’ did not come from the hand of the book’s author; rather, all of the the hidden secrets which the book reveals, shockingly came straight from the hand of God! These secrets were lovingly embedded into the straight read of the Genesis text and held in reserve for thousands of years, until now. Let this fact sink in. Take a few moments to realize the profound nature of this comment. Simply put: It is God Himself Who is teaching scripture! God is teaching Torah! Put another way, God has chosen to emerge from the ‘apparent silence’ of millennia to once more lovingly interact with His creation; and, He has chosen to do so at this precise moment in time in the text of this simple book. “Again, God Speaks – God Reveals His Hidden Secrets” settles once and for all time the historic questions which have divided Judaism and Christianity; and, it is God Himself who sets matters straight. In this, God’s judgment has come down upon the earth upon us all and God looks for our response to His revelations. In times past, God spoke directly to His people. Today, in the reading of “Again, God Speaks”, He speaks directly to you! The question is, 'will you accept His teaching'? Will you accept His Sovereignty? Whatever you decide, you will come away from this 'experience' with no doubt that - 'Again, God Speaks'. Only this time, He speaks to you!
