Earth Mother Ellen Jackson

The circle of life turns in unexpected ways.

Earth Mother awakes with the dawn. As she walks the land, swims the seas, and climbs the mountains, nurturing all of creation, she comes across Man, Frog, and Mosquito. They each give her thanks for nature's bounty, yet can't help but give her advice about making their lives better. Everybody's got an opinion, it seems, and Earth Mother is amused when it becomes clear that the circle of life is not without a healthy dose of cosmic humor.

Leo and Diane Dillon lend their formidable talents to Ellen Jackson's original folktale about the unexpected and sometimes humorous ways that life is interconnected.
