Fuego extraño: El peligro de ofender al Espíritu Santo con adoración falsa (Spanish Edition) John F. MacArthur

El Dr. John MacArthur enseña sobre el Espíritu Santo y muestra algunas acciones del movimiento carismático que deshonran a Dios.

Cuando Nadab y Abiú ofrecieron un “extraño fuego” al Señor (Levítico 10.1-3), cuando los fariseos le atribuyeron la obra del Espíritu a Satanás (Mateo 12.22-37) y cuando Ananías y Safira mintieron al Espíritu Santo (Hechos de los Apóstoles 5.1-6), cada una de estas acciones constituyó una ofensa que produjo graves consecuencias, incluso la muerte. La Biblia es clara en que ofender al Espíritu Santo no es una cosa ligera. Sin embargo, miles de personas lo hacen todos los días.

El movimiento carismático, con más de quinientos millones de miembros en todo el mundo, es el movimiento religioso de más rápido crecimiento a nivel mundial. Atrevidamente llena el nombre del Espíritu Santo con adoraciones que no van de la mano con la Biblia como ladridos, saltos, risas a carcajadas, estados de trance, revelaciones sin base en la Escrituras, formas de hablar incomprensibles, profecías erráticas y sanaciones sin efecto. Para las multitudes desorientadas, estas son obras del Espíritu Santo, pero en realidad no son obra de Dios en lo absoluto.

Fuego extraño ofrece un mensaje bíblico para corregir lo que ha estado errado, ayudar a los creyentes a distinguir la adoración verdadera y liberar a aquellos que se han dejado llevar por una falsa adoración. A través de una profunda exégesis, un planteamiento del contexto histórico del movimiento carismático y una guía pastoral, este libro reivindica el verdadero poder y el significado del Espíritu Santo para los evangélicos y reprueba a quienes dentro del movimiento carismático tientan la ira de Dios con fuego extraño.

Dr. John MacArthur teaches about the Holy Spirit and reveals how some parts of the Charismatic movement dishonor God.

When Nadab and Abihu offered a “strange fire” to the Lord (Leviticus 10:1–3), when the Pharisees attributed the Spirit’s work to Satan (Matthew 12:22–37), and when Ananias and Sapphira lied to the Holy Spirit (Acts 5:1–6), each was an affront that brought severe consequences even unto death. The Bible is clear that affronting the Holy Spirit is no laughing matter. Yet millions do it every day.

The Charismatic movement, with more than half a billion members worldwide, is the fastest growing religious movement in the world. It boldly plasters the Holy Spirit’s name on unbiblical worship like barking, jumping, laughing, trance-like states, extra biblical revelation, incomprehensible speech, inaccurate prophecies, and ineffective healings. To the misguided many, these are the works of the Holy Spirit, but they are not from God at all.

Fuego extraño offers a biblical message to make right what has been wrong, help believers discern true worship, and free those who have been swept up in false worship. With thorough exegesis, historical context of the Charismatic movement, and pastoral guidance, this book reclaims the true power and import of the

Holy Spirit for evangelicals and rebuffs those in the Charismatic movement who tempt God's wrath with strange fire.
