Within the pages of this book are tours of select locations around the beautiful Cape Cod peninsula. The author and guide is a 12th generation Cape Coder. Readers are taken from one end of Cape Cod to the other, following succinct, clear directions, and provided with engaging information about each site along the way. There are many well-known attractions listed here, but also many less recognized spots that only locals would truly know and treasure. Popular beaches, historic homes, and lighthouses from Sandwich, around the Cape via Provincetown, Chatham, Falmouth, and back to Bourne are only part of what makes up Cape Cod, and this trip. This book goes deeper into the soul of Cape Cod. It will leave the reader and visitor feeling as if they are one with the land much as the author does. With all of the locations listed in geographical order, it is possible to walk, bike, and drive the Cape, seeing everything conveniently and simply.
