Whether you plan to spend €1,000 or €50,000 on your next car, you cannot afford not to buy this ebook.

"A practical and concise guide to getting the best value when buying and selling a car. Packed with tips and independent advice, it demonstrates how to slash the cost of staying on the road. James O'Donovan knows the tricks of the trade, having bought and sold seven cars in the past four years."

Niall Brady, Money Editor, The Sunday Times

"I had not considered buying a car in the UK previously. However I found the process very straight forward having read DRIVE A BARGAIN. I also sold my old Saab quicker than expected using the tips in this Ebook. Considering how much I saved on my 2012 Volvo V60, I would have paid €100 for DRIVE A BARGAIN, which is amazing value at less than €10."

Arthur, Dublin 9.

"Buying DRIVE A BARGAIN has saved me €800 by helping me sell my 2000 VW Polo privately and buying a 2007 Honda Civic from a main Honda dealer in a straight sale price. It's the best €10 I've spent in a long time!"

Eileen, Dublin 4

"The tips in DRIVE A BARGAIN were very helpful, and helped me get a better price on my C-Max, but I did not have the time to look around for a new car. James saved us a lot of time, and picked a make, model and specification that is perfect for our needs - he's almost like a personal shopper for cars. We will be using his services again and referring back to DRIVE A BARGAIN next time we change cars."

Aoife, Cork.

"As I was losing faith in selling my old car, DRIVE A BARGAIN showed me how to do it quickly. I also found the information about buying a car in the UK very helpful. I sold my Audi A4 Tdi S-line Avant privately and bought a Volvo V60 D3 R-Design in the UK for an overall cost of changing that was a lot less than I thought. I will be referring to this book the next time we change our car!"

Tom, Wicklow

"James's help and advice was invaluable in selecting the best price and specification within the available models on the market that could meet my needs. Overall I anticipate having a better economic outcome to the tune of €1,500 to €2,000 as well as pleasure in driving a car I would not

necessarily have purchased if it hadn't have been for the tips in DRIVE A BARGAIN, as I could have been more "sensible" and gone for lower price, lower mileage ... but less exciting classic model. I'm glad I didn't and overall I highly recommend this book and James' advice on car buying."

Colm, Dublin 20
