## **The Crossway Classic Commentaries**

Original works by godly writers, tailored for the understanding of today's reader

For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth. The Crossway Classic Commentaries series, carefully adapted for maximum understanding and usefulness, presents the very best work on individual Bible books for today's believers.

The author of Hebrews wanted his audience to know and understand one truth: Christ is superior, and therefore, so is Christianity. He demonstrates this by comparing the imperfect old covenant with the perfect new covenant. The person of Christ is better than prophets and angels, His priesthood is greater than that of Melchizedek and the line of Aaron, and His power within the believer's life is incomparable. Between these contrasts he exhorts the readers to persevere in their faith, be obedient, grow in their understanding, and not miss the grace of God. The lessons and admonitions of Hebrews have intensely practical application for all readers—then and now.

John Owens' unveiling of this text will give pastors and students of the Bible a thorough handle on its key passages. The message of Hebrews proves that Jesus Christ is still the Savior the world needs today. Contemporary believers will be inspired by it as they seek to uphold and defend Christ's supremacy in a pluralistic world.
