Organizaciones educativas al servicio de la sociedad (Spanish Edition)

Joaquín Gairín, Serafín Antúnez

Organizaciones educativas al servicio de la sociedad (Spanish Edition) Joaquín Gairín, Serafín Antúnez
Esta obra recoge y sistematiza las aportaciones más importantes realizadas en el X Congreso Interuniversitario de Organización de Instituciones Educativas. Está estructurada en 28 capítulos, agrupados en cinco apartados. Los cuatro primeros (Dirección de instituciones educativas; Organización de la atención a la diversidad; Procesos de innovación, participación y cambio y Desarrollo organizativo en la Universidad) reúnen las conferencias y los textos de los simposios. El quinto apartado, incluido en un CD, recoge en diez capítulos las comunicaciones y pósters seleccionados. Se pone así a disposición de los estudiosos de temas organizativos, de gestión y de dirección de instituciones educativas un material muy relevante con el objetivo de que sus contenidos permitan encontrar reflexiones útiles, sugerencias estimulantes y conocimientos pertinentes que ayuden a progresar en los procesos formativos y en las prácticas profesionales de las personas vinculadas a la administración, gestión, dirección y cambio en las organizaciones educativas.
