Heartbroken divorcée Bev Brewster goes back to work as a private investigator to get her mind off romance—only to meet a seductive detective who initiates a tantalizing game of cat and mouse

Hot on the trail of an adulterous wife, private investigator Bev Brewster meets her match: detective Sam Nichols, who sees through her conservative veneer. Ignoring Bev's efforts to deflect his primal urges, Sam is determined to awaken her long-dormant sexuality.

Forced to work together on a high-profile case to flush out a con man, they go undercover on a luxury cruise. Sam's raw sexuality paralyzes Bev, and she feels her own desire sapping her self-control. If she isn't careful, she may end up with exactly what she's sworn off: romance. And a man who can take her to places she's never been before.

This ebook features an illustrated biography of Suzanne Forster including rare photos from the author's personal collection.
