The Making of the President 1972

Theodore H. White

The Making of the President 1972 Theodore H. White

“[White] revolutionized the art of political reporting.” —William F. Buckley

The Making of the President 1972 is the fourth book in Theodore H. White’s landmark series, a riveting account of the 1972 presidential campaign and Richard M. Nixon’s precedent-shattering landslide victory. White had made history with his groundbreaking narrative *The Making of the President 1960*, winning the Pulitzer Prize for revolutionizing the way that presidential campaigns were reported. Now, *The Making of the President 1972*—back in print, freshly repackaged, and with a new foreword by Cokie Roberts—joins Theodore Sorensen’s *Kennedy*, White’s *The Making of the President 1960, 1964, and 1968*, and other classics in the burgeoning Harper Perennial Political Classics series.
