**Wiley Not-For-Profit Accounting Field Guide 2001** Marie DiTommaso, Richard F. Larkin

Due to the significant changes in the not-for-profit GAAP accounting principles, financial accounting experts need a quick reference to stay up-to-date. Non-experts also need a quick understanding of the state of these accounting principles that will provide current information, in this handy reference format. The not-for-profit industry represents a very large sector and several years of significant changes to the accounting principles can leave financial accountants of these not-for-profits, as well as non-experts working in this industry, in need of understanding these accounting principles. This title is designed for quick reference, in a portable, easy-to-carry field guide. It provides an overview and not-for-profit specific information for employees of not-for-profits who are not directly responsible for accounting and financial statement preparation.
