Fatal Complications

John Benedict

Fatal Complications John Benedict

When a colleague's patient suffers a bizarre reaction in the operating room, Luke Daulton, a newly minted anesthesiologist, volunteers to help. Despite the surgical team's best efforts, the patient succumbs to a rare anesthetic complication. Luke becomes perplexed, even suspicious, over their inability to save the woman. Is it possible that the diagnosis was wrong? Or, worse yet, was the diagnosis faked? Luke even wonders if his boss Dr. Katz is involved.

Too busy with the rigors of new job and his pending fatherhood, Luke is forced to put his suspicions on hold. When his wife Kim faces a C-section, his fears are reignited. Could there be a murderer—or murderers—operating in his hospital? Could his wife's obstetrician be involved? When the C-section goes horribly wrong, Luke must launch into action to save his wife and baby and expose a conspiracy he's uncovered in his hospital.
