Gaal investigates further the mystery of Ogopogo. The native legend of this illusive lake monster was passed on to the first white settlers in the north west. Since that time sightings and explorations of the sacred Ogopogo have continued only to produce more questions. Arlene analyses photos, videos and eye-witness accounts to distinguish the real sightings and facts from pranksters and hoaxers. Learn where 'Oggie' lives, and the theories of what kind of creature it may be.
