**The Brewer of Preston: A Novel** Andrea Camilleri

**The *New York Times* bestselling author of the Inspector Montalbano series brings us back to Vigàta in the nineteenth century for a rip-roaring comic novel.**

1870s Sicily. Much to the displeasure of Vigàta's stubborn populace, the town has just been unified under the Kingdom of Italy. They're now in the hands of a new government they don't understand, and they definitely don't like. Eugenio Bortuzzi has been named Prefect for Vigàta, a regional representative from the Italian government to oversee the town. But the rowdy and unruly Sicilians don't care much for this rather pompous mainlander nor the mediocre opera he's hell-bent on producing in their new municipal theater. *The Brewer of Preston*, it's called, and the Vigàtese are revving up to wreak havoc on the performance's opening night.
