The Leaderless Revolution: How Ordinary People Will Take Power and Change Politics in the 21st Century Carne Ross

The Leaderless Revolution explains why our government institutions are inadequate to the task of solving major problems and offers a set of steps we can take to create lasting and workable solutions ourselves. In taking these steps, we can not only reclaim the control we have lost, but also a sense of meaning and community so elusive in the current circumstance. In a day and age when things feel bleak and beyond our control, this powerful and personal book will revive one's sense of hope that a better, more just and equitable order lies within our reach-if only we are willing to grasp it.
