"When you balance your seven energy centers, you reclaim your natural rights and reestablish your natural order. You begin to undo the damage that was caused by living your life backward, from the head first, forgetting the body and spirit altogether. As with everything in nature, if your life isn't supported by a grounded source of energy, it will wither and lose its vitality. As you learn about the chakras, you will discover that balancing them isn't particularly hard, especially if you think of it as a process of not just living your life, but actually loving your life." -- From the Introduction

How can we balance our time and energy when our days are so hectic? How can we find harmony in mind, body, and spirit? In *True Balance*, renowned intuitive and spiritual healer Sonia Choquette presents a step-by-step workbook for finding balance within our seven essential energy centers, or chakras.
