## **Finding Her Way Home**

After fifteen years away, Dr. Caroline Duer is nervous about returning to her hometown. The veterinarian might be able to save stranded sea turtles, but she can't convince her dad of her good intentions. And when Caroline meets darling Izzie Clark, she encounters similar suspicion from the young girl's father. Former coast guard commander Weston Clark had his life upended by Izzie's mother. He won't go through the same pain again. But Izzie isn't the only one tumbling head over heels for the enigmatic Caroline. And if she can release the pain of the past, she just might be the missing piece Weston and his daughter have been searching for.
