Diane Johnson

Lulu in Marrakech Diane Johnson

The two-time Pulitzer Prize and three-time National Book Award-nominated author of *Le Divorce* returns with a mesmerizing novel of double standards and double agents

In *Lulu in Marrakech*, Diane Johnson brilliantly exposes the manners and morals of the cultural collision between Islam and the West. Lulu Sawyer arrives in Marrakech, Morocco, hoping to rekindle her romance with a worldly Englishman, Ian Drumm. It's the perfect cover for her assignment for the CIA?tracing the flow of money from well-heeled donors to radical Islamic groups. While spending her days poolside among Europeans in villas staffed by maids in abayas, and her nights at lively dinner parties, Lulu observes the fragile and tense coexistence of two cultures. But beneath the surface of this polite expatriate community lies a sinister world laced not only with double standards, but double agents.

As in her previous novels, Diane Johnson weaves a dazzling tale in the great tradition of works about naïve Americans abroad, with a fascinating new assortment of characters as well as witty and timely observations on the political and sexual complexities between Islamic and Western culture.

From reader reviews:

Michael Stein:

What do you about book? It is not important to you? Or just adding material when you require something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question since just their can do that. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular Lulu in Marrakech to read.

Dean Rakestraw:

Nowadays reading books be than want or need but also work as a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want have more knowledge just go with schooling books but if you want experience happy read one with theme for entertaining such as comic or novel. The actual Lulu in Marrakech is kind of book which is giving the reader erratic experience.

Rosalind Huffman:

This Lulu in Marrakech is brand new way for you who has curiosity to look for some information given it relief your hunger details. Getting deeper you onto it getting knowledge more you know or you who still having bit of digest in reading this Lulu in Marrakech can be the light food for you personally because the information inside this particular book is easy to get simply by anyone. These books build itself in the form which can be reachable by anyone, sure I mean in the e-book contact form. People who think that in reserve form make them feel tired even dizzy this book is the answer. So you cannot find any in reading a reserve especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book style for your better life in addition to knowledge.

Jesus Geist:

What is your hobby? Have you heard in which question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person similar to reading or as looking at become their hobby. You must know that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your teacher or lecturer. You get good news or update regarding something by book. Amount types of books that can you go onto be your object. One of them is Lulu in Marrakech.
