An Amazon supernatural best seller - *My Haunted Life* - true tales of demons, ghosts, evil, and things that go bump in the night....

If you enjoy creepy true tales about ghosts, demons, and the paranormal then this book is for you. This is just the book you were looking for, but never found, at Halloween.

An excerpt - To my utter amazement, the windows behind me suddenly rattled and with a loud cracking noise, blew wide open. A rush of air entered the flat, blowing her hair back and scattering the pile of poems all around the room. Her eyes, probably like mine, widened in total shock and awe. Then, the pièce de résistance, the huge paper Leonardo Da Vinci "Last Supper" picture, pinned to the wall with pins, suddenly billowed off from that wall behind her, passed over her head and landed on the coffee table in front of her. It actually flew against the wind from the window to get there.

Another - We both watched as the figure turned its head disturbed, stood up and then glided over and out through the wall.

Another - Then, the first footstep and creak of the bottom stair. My heart was beating as if to burst. Another long sigh and another step.

Another - The figure was now so close to me that I could see its appalling face - a skull with dark eye sockets.

This book is a collection of true events - all strange and all are true. When people say that "fact is stranger than fiction" - they aren't joking.

My Haunted Life - the first in a creepy three-part series by the host of My Haunted Life Too website, G. Michael Vasey...keep the lights on!
