The Commentators' Bible: Deuteronomy: The Rubin JPS Miqra'ot Gedolot

First published five hundred years ago as the “Rabbinic Bible,” the biblical commentaries known as Miqra’ot Gedolot have inspired and educated generations of Hebrew readers. With this fourth volume of the acclaimed English edition, the voices of Rashi, Ibn Ezra, Nachmanides, Rashbam, and other medieval Bible commentators come alive once more, speaking in a contemporary English translation annotated and explicated for lay readers.

Each page of this volume contains several verses from the book of Deuteronomy, surrounded by both the 1917 and the 1985 JPS translations and by new contemporary English translations of the major commentators. This edition also includes introductory material, a glossary of terms, a list of names used in the text, notes on source texts, essays on special topics, and resources for further study.
