The Turning Book 1: What Curiosity Kills

Helen Ellis

The Turning Book 1: What Curiosity Kills Helen Ellis

"*What Curiosity Kills*...cracks open the world of Upper East Side prep-schoolers and literally turns it wild, bringing together the best parts of *Gossip Girl*, *Twilight*, and *Buffy The Vampire Slayer*... funny, fierce, and full of surprises."

-Hannah Tinti, ALA Alex Award-winning auth or of *The Good Thief*

Nobody can know your secret.

Nobody can know your power.

But if nobody knows who you are to begin with...what's stopping you?

I whisper, "What's so special about me all of a sudden?"

Nick says, "The Turning."

Mary feels different, but can't explain why. The fainting, the strange cravings...and worse, the things she's noticed about her body.

Mary doesn't know where to turn. If she tells her parents or her sister, she'll risk losing everything. She has no other family, no way of knowing if what she's going through is normal. Everyone she's ever known and loved could reject her...

"Helen Ellis is the kind of writer that makes the pages fly and the kind of friend readers will wish they had growing up."

-Hannah Tinti, ALA Alex Award-winning auth or of *The Good Thief*

From reader reviews:

Joshua Ricker:

Book is to be different per grade. Book for children right up until adult are different content. We all know that that book is very important usually. The book The Turning Book 1: What Curiosity Kills was making you to know about other information and of course you can take more information. It is very advantages for you. The book The Turning Book 1: What Curiosity Kills is not only giving you much more new information but also to become your friend when you truly feel bored. You can spend your own spend time to read your book. Try to make relationship with all the book The Turning Book 1: What Curiosity Kills. You never really feel lose out for everything when you read some books.

Dennis Boone:

Information is provisions for people to get better life, information today can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is inside former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take The Turning Book 1: What Curiosity Kills as your daily resource information.

Alberto Redden:

Playing with family inside a park, coming to see the marine world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love The Turning Book 1: What Curiosity Kills, you can enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout guys. What? Still don't have it, oh come on its called reading friends.

Robert Stewart:

A lot of reserve has printed but it differs from the others. You can get it by online on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever simply by searching from it. It is named of book The Turning Book 1: What Curiosity Kills. Contain your knowledge by it. Without departing the printed book, it might add your knowledge and make you happier to read. It is most critical that, you must aware about publication. It can bring you from one destination to other place.
