A Rough Guide To The Dark Side

Daniel Simpson

A Rough Guide To The Dark Side Daniel Simpson

Daniel Simpson's memoir charts a gonzo career at The New York Times. Ambitious and idealistic, he was hired to report on the Balkans but quit within months, freaked out by his editor's zeal for starting wars. Disillusioned, Daniel went native in Belgrade. Together with the charismatic G, who'd appeared one night in lavish puffs of dope smoke, he decided to organize Serbia's version of Woodstock: a festival on an island in the Danube. Music could revolutionize the country. It was run by a wartime mafia, and most young people dreamed of leaving. But what if they made it Ibiza crossed with Glastonbury? To fund this transition, they hustled Daniel's contacts. But shady local businessmen had other ideas. Mr Big muscled in, and embroiled them with his henchmen. Why do good intentions go awry? With brutally honest humor, Daniel recounts his journey to the edge, and a desperate drug-fuelled quest for the truth.
