Boney Fingers John Wagner

When high school senior Kyle Owens crosses paths with Devon Haddix—the Brandonville Buzz Killer—in the middle of another disposal, the confrontation leads to an accidental homicide. Now, he has to do what's right—to cover it up! Continuing serial murders incriminate Kyle, even though he knows nothing about them. Who do you tell when you have a secret that just won't die? "Oh, Mom and Dad, I was breaking into the school last night and killed a guy, but it wasn't Vesty. And...we're out of milk." You do what you have to do. Just don't be late for dinner. Seconds later, his car noisily backed out of the driveway as his mother wished he'd be more careful speeding around like he does. "He's going to kill somebody," she feared.
