## **The Goats** Brock Cole

A boy and a girl are stripped and marooned on a small island for the night. They are the "goats." The kids at camp think it's a great joke, just a harmless old tradition. But the goats don't see it that way. Instead of trying to get back to camp, they decide to call home. But no one can come and get them. So they're on their own, wandering through a small town trying to find clothing, food, and shelter, all while avoiding suspicious adults—especially the police. The boy and the girl find they rather like life on their own. If their parents ever do show up to rescue them, the boy and the girl might be long gone. . .
